

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Please preserve diversity in media. We, as citizens of the United States, need this diversity to preserve our free way of life. Without diversity we risk monopolistic controls. Part of what has made our nation great is this very diversity - please preserve it.
